GUIDELINES ISSUED

IMPAR issued Muharram guidelines in compliance with the guidelines issued by the Indian government and as proposed by Imamia Medics International as to how to commemorate the holy month of Muharram in times of Covid-19. The guidelines were issued after the team of IMPAR interacted with 50+ clergies and sending queries pertaining to the same to the authorities of Iraq and Iran and have been formulated in consultation with local and global views of experts, community leaders, religious leaders, health practitioners and stakeholders of the community. The guidelines were issued in English, Hindi and Urdu.

LEGAL ADVOCACY

IMPAR filed a complaint against Sudarshan News Channel and Sh. Suresh Chavhanke, its promoter. Complaint has been filed by Changhez Khan Sahab, IMPAR Legal Team in Police Station Jamia Nagar, Okhla Delhi.

COMMUNICATION WITH THE CONCERNED AUTHORITIES

In its endeavour to establish channels of communication and engage with the administration and political leadership of the country, IMPAR wrote various letters of concern. IMPAR sent a letter to the Vice President and Managing Director of Facebook India Mr. Ajit Mohan concerning the Termination of Ankhi Das, FACEBOOK Content Chief in India for telling her colleagues that punishing violations by politicians from the ruling party would damage the company's business prospects in the country. IMPAR urges Facebook India to take corrective measures against hate content.

Another letter was written to the Election Commission of India addressing Chief Election Commissioner Sh. Sunil Arora, Election Commissioners Sh. Sushil Chandra and Sh. Ashok Lavasa concerning the ECI's conspiratorial conduct in disclosing identity of Muslims to the biased Delhi Police which further helped them in witch-hunting students and intimidating them with torturous investigation.

IMPAR also wrote letters in the case of Sudarshan News and Suresh Chavhanke requesting for suspending the sponsorship of Sudharshan News. IMPAR addressed National Commission for Minorities; DM, Gautambudh Vihar,; SSP, Noida; Ministry of Minority Affairs; Prakash Javadekar, Minister of Information and Broadcasting; Secretary, Information & Broadcasting; Secretary Genral, National Human Rights Commission; Chief Secretary, UP; and DGP, UP; Mr R.S.Sodhi; Managing Director GCMF Limited. As Amul is one of the show's sponsors,

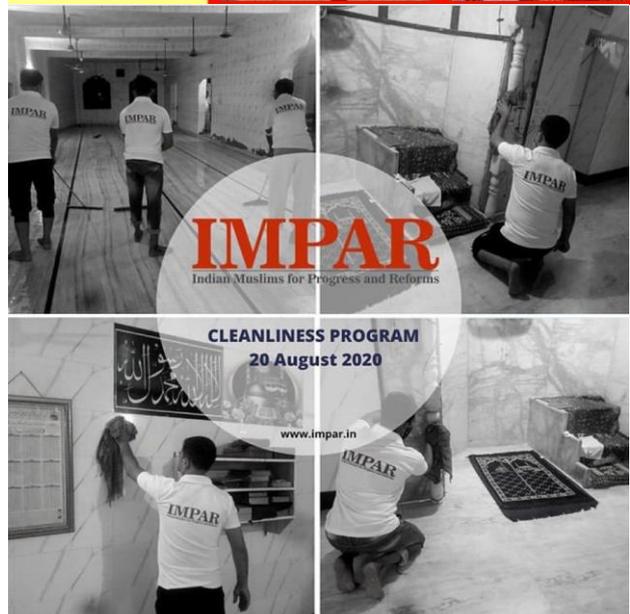

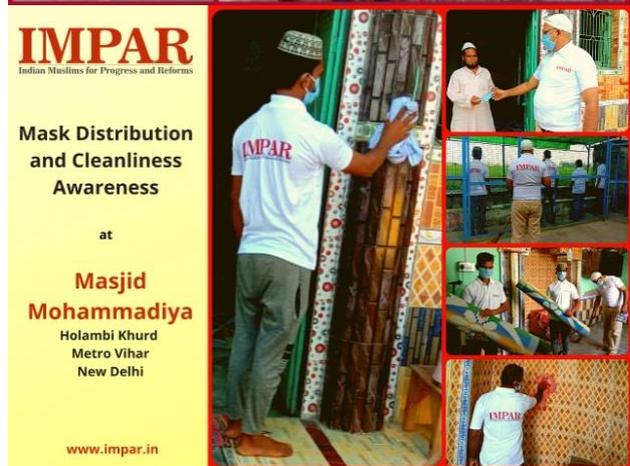

we requested them to suspend the sponsorship as visibly the program is serving the vested hate laced interests. Given Amul's glorious contribution in the making of the modern India, sponsoring a show like this would be like undoing the legacy of Amul and becoming a tacit partner in the hate agenda. Therefore, we requested Amul to withdraw the sponsorship.

COMMUNITY WORK

As part of IMPAR's reforms agenda, cleanliness drive was conducted at Begumpuri Mosque, New Delhi, 14th Century oldest and the biggest mosque of Delhi. Our volunteers laboriously cleaned the mosque compound.

IMPAR team conducted awareness, mask distribution and cleanliness drive at Masjid Mohammadiya, Holambi Khurd, Metro Vihar, New Delhi.

IMPAR cleanliness drive was conducted at Muntazima Committee Masjid Shaide e Islam near Hari enclave (North West Delhi). The volunteers cleaned the madarsa/ mosque compound, and were also engaged with the residents of madarsa on issues of cleanliness, introspection and community.

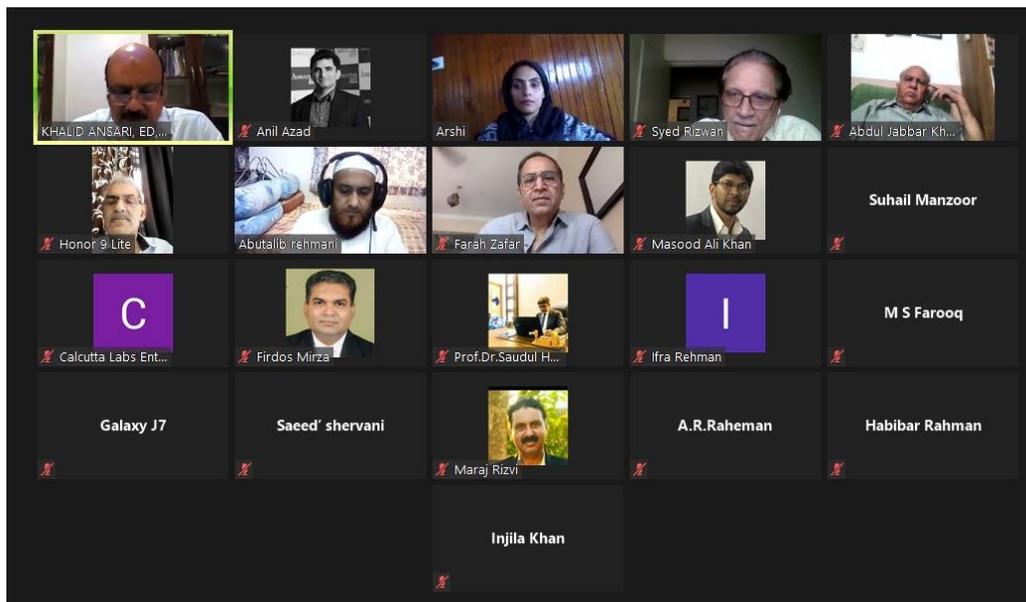

IMPAR CLEANLINESS PROGRAM is designed for taking up responsibility of our surroundings, to motivate youth towards cleanliness and hygiene and make them responsible. As it is rightly said, “Cleanliness is half Iman”.

IMPAR condemns Bangalore violence, says hurt sentiments cant justify vandalism

Aug 13, 2020

New Delhi: Indian Muslims for Progress and Reforms(IMPAR) on Wednesday urged Muslim religious groups and community leaders to condemn the Bangalore violence as under no condition law should be taken into hands by civilians under the pretext of hurt religious sentiments.

IMPAR expressed serious concern over the way violent mob went on rampage in Bengaluru's Pulakeshi Nagar area on Tuesday (August 12) night, which resulted in the death of three persons.

"IMPAR condemns the vandalism of two police stations, burning of properties and damaging the residence of Congress MLA Akhand Srinivas Murthy. IMPAR also condemns the irresponsible behaviour of those who allegedly shared a social media post against Prophet Mohammad. IMPAR urges the religious groups and community leaders to condemn the incident as under no condition law should be taken into hands by civilians under the pretext of hurt religious sentiments," the influential Muslim think tank said in a statement here.

The only way to deal with the hurt religious sentiments is to file a police complaint or take legal discourse. IMPAR appreciates the efforts of the police in bringing the situation quickly under control and also supports the State government for ordering an inquiry into the violence that occurred through the parts of the city, the statement said.

It expressed the hope that the DM led enquiry will bring out "any conspiracies and the role of such elements and organisations who count to consolidate their social and political gains by throwing the society into the flames of fire."

It also praised the action of the city police for arresting the person who posted controversial content on social media.
